

Medicare Advantage: More Than 32 Million Strong

More than 32 million seniors and people with disabilities choose Medicare Advantage (MA) because it **delivers better service, better access to care, and better value**. By reducing Medicare's out-of-pocket costs, Medicare Advantage delivers affordable coverage, offers supplemental benefits beyond original Medicare services, and helps address social drivers of health, including home-delivered meals and transportation to and from doctors' appointments.

Medicare Advantage by the Numbers

Delivering for Seniors

32 million+

Americans choosing Medicare Advantage for their coverage and care.

9 in 10
